Pressure Cooker Black Beans With Chorizo

Sides | Instant Pot

Before you start

Equipment: pressure cooker. High pressure: 40 minutes, plus time to reach pressure and release. Natural-release gives creamier beans; quick-release gives firmer beans.

Ingredients

[ ] 1 Tbsp vegetable oil

[ ] 6 oz Spanish-style chorizo, sliced into half-moons

[ ] 1 lb dried black beans

[ ] 1 onion, halved

[ ] 6 garlic cloves

[ ] 1 orange, halved

[ ] 2 bay leaves

[ ] 2 quarts low-sodium chicken stock

[ ] 2 tsp kosher salt, plus more to taste

[ ] Chopped cilantro, for serving

Method

1. Brown chorizo

1. Heat **1 Tbsp** vegetable oil in the pressure cooker. Add **6 oz** Spanish-style chorizo, sliced into half-moons.

2. Cook about **2 minutes**, until it releases fat and begins to crisp.

2. Pressure-cook

1. Add **1 lb** dried black beans, 1 halved onion, 6 garlic cloves, 1 halved orange, 2 bay leaves, 2 quarts low-sodium chicken stock, and **2 tsp** kosher salt.

2. Cook at high pressure for **40 minutes**.

3. Let pressure release naturally for especially tender, creamy beans, or quick-release for firmer beans.

3. Finish

1. Discard the onion, orange, and bay leaves. Adjust salt to taste and serve with chopped cilantro.

Notes and variations

Firm cured sausages such as andouille or kielbasa can substitute for the chorizo.
