## 1. Prepare and cook

1. Preheat oven to 425°F.

2. Line a sheet pan with parchment for easier cleaning or spray with cooking oil.

## 2. Potatoes first

1. In a medium bowl, toss all ingredients for potatoes together and stir well to evenly coat. Spread the potatoes on 1/3 of the pan and place in oven for about 15 minutes.

# 3. Chicken and beans

1. While potatoes are cooking, toss all ingredients for chicken in the same bowl and coat all the chicken well. Remove the pan with the potatoes and add the chicken. Place in oven while you toss everything together for the green beans and add them to the pan.

2. Bake for about 25 minutes or until chicken reaches an internal temperature of 165°F. For extra crispy potatoes, turn the oven to broil on high for 4-5 more minutes if desired.
