Instant Pot Chicken Tinga

Main dishes | Instant Pot

Before you start

Pressure cook on High for 10 minutes, then quick release. Serve with rice or tortillas and preferred toppings.

Ingredients

Matching letters and colors = one prep bowl. Charcoal = keep separate.

Bowl A - Tomatoes, chipotles, adobo sauce, cumin, salt, and broth

- [ ] 1.5 tbsp avocado oil or olive oil
- [ ] 1 yellow onion
- [ ] 3 cloves garlic minced
- [ ] 1 can fire roasted diced tomatoes [Bowl A]
- [ ] 3 chipotle peppers in adobo sauce* [Bowl A]
- [ ] 1.5 tbsp adobo sauce* [Bowl A]
- [ ] 1.5 tsp ground cumin [Bowl A]
- [ ] 0.75 tsp sea salt [Bowl A]
- [ ] 1 cup chicken broth [Bowl A]
- [ ] 3 lbs chicken breast or thighs

For serving:

- [ ] 1/3 cup fresh cilantro

1. Prepare and cook

1. Select the saute function on the Instant Pot. Once hot, coat the bottom of the pot with oil. Toss in onion and garlic. Saute for 3-4 minutes, or until fragrant. Select cancel. Transfer the onion and garlic mixture to a high powered blender or food processor. Clean the bottom of the pot (this will help to prevent a burn message when you bring the chicken to pressure).

2. Now add the diced tomatoes, chipotle peppers, adobo sauce, ground cumin, salt, and chicken broth to the onion/garlic in the blender. Pulse until smooth.

3. Pour the sauce into the Instant Pot. Add the chicken, and secure the lid. Select manual (or high pressure) and cook on high pressure for 10 minutes. Use a quick release.

4. Once steam has been completely removed, remove the lid and take out the chicken. Dice or shred using a fork and knife. Return the chicken back to the pot. At this point you can select cancel, and let the sauce cool and thicken. Or serve immediately.

5. Serve with rice or cauliflower rice, or tortillas. Top with tomatoes, avocado, onion, or fresh cilantro.

Notes

Tomato can size is not specified. Onion cutting style is not specified; it is sautéed then blended.
