Protein Puppy Chow

Appetizers & snacks | Stovetop & prep

Before you start

Melt at 50% microwave power in 20-second intervals, stirring each time. Keep vanilla, Chex, and protein powder separate for successive additions.

Ingredients

Matching letters and colors = one prep bowl. Charcoal = keep separate.

Bowl A - Chocolate, peanut butter, honey, and coconut oil

- [ ] 8 Oz Semi-sweet chocolate [Bowl A]
- [ ] 5 Oz Natural Peanut Butter [Bowl A]
- [ ] 3.5 Oz Honey [Bowl A]
- [ ] 3 Tbsp Coconut oil [Bowl A]
- [ ] 2 tsp Vanilla extract
- [ ] 12 ounce box Chex cereal
- [ ] 1.5 Cup Vanilla protein powder

1. Prepare and cook

1. In a large, microwave safe bowl melt the chocolate, peanut butter, honey and coconut oil. To do this I use 50% power and microwave in 20 second intervals, stirring between each interval, until everything is smooth and melted.

2. Stir the vanilla extract into the melted chocolate mixture, followed by the Chex cereal. Stir the cereal until each piece is well coated in chocolate.

3. Place the protein powder into a large, zip-loc bag and then scoop the cereal into the bag. Seal the bag and shake around until the protein powder evenly coats the cereal.

4. That's it! DEVOUR.
