Notes

Variations

Substitute cheddar cheese for Swiss

Use fresh tomato slices instead of mushrooms. (Tomatoes don't need to be sautéed first)

Substitute 1 cup chopped scallions for the onion.

Add 1 tsp. prepared horseradish.

Dr. McCarty's Changes

Use Pillsbury refrigerated pie crust.

Use any kinds of cheese, but best if you use at least two types of cheese.

It is very important to sauté whatever vegetables you use before putting them on top of the cheese layer.
